

DETOX BIPHASIC

Detox Biphasic is a comprehensive supplement to support the liver's detoxification process.*

Advancements in the modern world have created numerous toxins, chemicals, and environmental pollutants that are potentially harmful to human health. These include substances like pesticides, air pollution, heavy metals, molds, xenobiotics, and various synthetic chemicals. Over time, exposure to these substances can be detrimental to health and longevity.^{1,2,3} Maintaining proper liver function by supporting detoxification and elimination of toxins, chemicals, and pollutants is critical for overall health.^{4,5}

How Detox Biphasic Works

The body's natural detoxification process is largely dependent upon the liver, involves several enzymatic processes, and is divided into two phases.⁶ Phase I is the activation of enzymes to begin oxidizing, breaking down, and hydrolyzing waste products. Phase II enzymes perform conjugation reactions that move the broken down metabolites from phase I through the body for excretion. A build-up in the body of toxins, chemicals, and environmental pollutants can cause adverse reactions during the natural enzymatic processes and may result in oxidative stress on the liver.⁷

This is when nutritional supplements high in antioxidants, phytonutrients, and micronutrients such as Detox Biphasic are beneficial to use. By providing nutrients to support the body in its natural detoxification processes, the harmful toxins, chemicals, and environmental pollutants can then be eliminated from the body.*

The Detox Biphasic Formula

The formula includes calcium-D-glucarate (275 mg), N-acetyl-cysteine (100 mg), and milk thistle extract (100 mg).^{8,9,10} Based on modern clinical research, alpha-lipoic acid and diindolylmethane have also been added to JustBeWell's Detox Biphasic supplement.^{11,12}

These key antioxidants ensure adequate micronutrients, phytonutrients, and cofactors to support safe and effective detoxification.*¹³ The formulation provides maximum support for healthy liver detoxification.*

Detox Biphasic Supplementation

Clinical evidence and research cited herein shows that the ingredients in Detox Biphasic may:

- Support healthy liver function*
- Support the body's natural elimination process*
- Support detoxification by providing essential micronutrients, phytonutrients, and cofactors*

Form: 90 Capsules

Serving Size: 3 Capsules

Ingredients	Amount	%DV	Ingredients	Amount	%DV
Vitamin A (as retinyl palmitate and 4% from beta carotene)	505 mcg RAE	56%	Milk Thistle Extract (seed; <i>Silybum marianum</i>)	100 mg	**
Vitamin C (as magnesium ascorbate)	180 mg	200%	Alpha Lipoic Acid	100 mg	**
Vitamin E (as d-alpha tocopherol succinate)	69 mg	460%	N-Acetyl-L-Cysteine	100 mg	**
Thiamin (as thiamin HCl)	8.3 mg	692%	DIM (diindolylmethane)	80 mg	**
Riboflavin	8.3 mg	638%	L-Methionine	66.7 mg	**
Niacin	10 mg NE	63%	L-Glutamic Acid HCl	66.7 mg	**
Vitamin B6 (5 mg as pyridoxal-5-phosphate and 5 mg as pyridoxine HCl)	10 mg	588%	Taurine	66.7 mg	**
Folate (as calcium L-5-methyltetrahydrofolate) (BioFolate®)	340 mcg DFE	85%	L-Glutamine	66.7 mg	**
Vitamin B12 (as methylcobalamin)	0.4 mcg	17%	Choline Bitartrate	66.7 mg	**
Biotin	0.66 mcg	2%	Quercetin Dihydrate	66.7 mg	**
Pantothenic Acid (as calcium pantothenate)	33.3 mg	666%	Inositol	33.3 mg	**
Magnesium (as magnesium ascorbate, magnesium citrate, and magnesium malate)	61 mg	15%	L-Ornithine L-Aspartate	33.3 mg	**
Zinc (as zinc picolinate)	2 mg	18%	Broccoli Extract (0.4% sulforaphane (sprouts; <i>Brassica oleracea</i> L. var. <i>italica</i>))	16.7 mg	**
Selenium (as L-selenomethionine)	0.33 mcg	<1%	L-Serine	16.7 mg	**
Manganese (as manganese bisglycinate chelate) (TRAACS™)	495 mcg	22%	L-Histidine HCl	16.7 mg	**
Molybdenum (as molybdenum glycinate chelate) (TRAACS™)	51 mcg	113%	Carnitine (as L-carnitine tartrate)	16.7 mg	**
Calcium D-Glucarate	275 mg	**	Coenzyme Q10	8.3 mg	**
			Grape Seed Extract (95% polyphenols (seed; <i>Vitis vinifera</i>))	3.3 mg	**
			Superoxide Dismutase	33 mcg	**
			Catalase	15 mcg	**

Other Ingredients:

Gelatin capsule, vegetable magnesium stearate.

BioFolate® is a federally registered trademark of MTC Industries, Inc.

TRAACS™ is a trademark of Balchem Corp. or Albion Labs.

Directions:

Take three capsules daily as a dietary supplement, or as directed by your healthcare practitioner.

Caution: If you are pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of reach of children.

GLUTEN-FREE

DAIRY-FREE

NON-GMO

PRODUCED IN A cGMP FACILITY
